This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

1.SECTION 1: Material /Ingredients Identification

1.1. Product Identifier

Product Use :Mixture

Product Name : VIROWALL ANTI-BACTERIAL WET WIPES

1.2. Relevant Identified uses of the substance or mixture and uses advised against

1.2.1. Identified Uses

It is used for hands ,skin and surfaces hygiene in daily life.

Uses advised against

_

1.3. Details of the supplier of the safety data sheet.

Company Title virowall uk ltd

Address - 101 Oldham street , Manchester M4 1LW

Tel - +441618394501

Fax -

E-mail - info@virowallhygiene.com

1.4. Emergency Phone No

Emergency Phone UK 03338001848

No

2. Hazards Identification

2.1. Classification of the substance or mixture

<u>Classification R.G. 29204:</u> It is not considered hazardous for health or environment according to the regulation in force.

Physical Hazards : unclassified
Health Hazards : Unclassified

Environmental Hazards: Unclassified

ClassificationT.C. 27092/(67/548/EEC) or (1999/45/EC)

It is not considered hazardous for health or environment according to the regulation in force.

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in:
Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

.

2.2. Label Elements

Hazard Symbol: Nonhazardous **Signal Word**: Nonhazardous

Hazard Statements:

Nonhazardous

Precautionary Statements

Nonhazardous

2.3. Other hazards

The product does not contain any substances classified as PBT or vPvB.

3. COMPOSITION/INFORMATION ON INGREDIENTS

3.1. Substances: N/A

3.2. Mixtures

3.3.

4. FIRST AID MEASURES

4.1. Description of first aid measures

In case of contact with eyes:

If there are contact lenses, they must be removed before washing the eyes. Wash the eyes immediately with plenty of water by opening the eyelids. In case of continuity of any complaint, consult a physician

In case of contact with skin:

Contact of this product with skin is not hazardous. In case of continuity of any complaint, consult a physician

In case of ingestion: Wash mouth thoroughly. Drink plenty of water. If fainted no liquid to be given to the effected person, If swallowed, consult a physician.

In case of inhalation:

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

Inhalation of this product is not hazardous. In case of continuity of any complaint, consult a physician

4.2. Most important symptoms and effects, both acute and delayed

No information is available

5.FIREFIGHTING MEASURES

5.1. Fire Extinguishing media

The product is not flammable. Use a suitable extinguishing medias suitable for surrounding materials.

5.2. Special hazards arising from the substance or mixture

In case of fire, toxic gases may arise.

5.3. Advices for fire-fighters

Use full face mask or full protective (apron and boots) clothing and a portable respirator including protective glasses.

.

6.ACCIDENTAL RELEASE MEASURES

6.1. Personal precautions, protective equipment and emergency procedures

Wear protective clothing as shown in section 8 of this safety data sheet. Provide proper ventilation

6.2. Environmental Precautions

not expected to be dangerous for the environment.

6.3. Methods and material for containment and cleaning up

Small waste materials: Collect mechanically and dispose of in suitable containers.

Large waste materials: Collect mechanically and dispose of in suitable containers. Wash the area with plenty of water. Surfaces may be slippery, pay attention.

6.4. Reference to other sections

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

See section 8 for personal protection. See Section 12 for additional information about ecological hazards. See Chapter 13 for the disposal of wastes.

7.HANDLING AND STORAGE

7.1. Precautions for safe handling

Protective measures: Do not eat, drink or smoke during use. Keep away from direct sunlight

Hygiene Precautions: Definitely do not eat or drink during use. Hands should be washed after use .effected clothes should be taken off.

7.2. Conditions for safe storage, including any incompatibilities

Store tightly closed in its original packaging and in a dry and cool place. Keep away from food, drinks and animal feed. Store in places out of reach of children. Keep away from direct sunlight.

7.3. Specific end use

No other information is available.

8.EXPOSURE CONTROLS/PERSONAL PROTECTION

8.1. Control parameters

Occupational Exposure Limits

Not including any substance with occupational exposure limit

8.2. Exposure Controls

Protective equipment

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

TECHNICAL MEASURES

During the production: No requirement for certain ventilation.

SOLUNUM AYGITI

During the production: No respiratory protective device is required.

HAND PROTECTION

During the production: Use suitable protective gloves for long and repeated contact with skin.

EYE PROTECTION

During the production: Wear approved protective glasses.

HEALTH MEASURES

Wash your hands after contact. Replace your working clothes before leaving the workplace.

Wash the working clothes before you using it again. Do not eat, drink or smoke during the

use.

Handle in accordance with industrial hygiene and safety regulations.

SKIN PROTECTION

Wear protective clothing if it is necessary.

9.PHYSICAL AND CHEMICAL PROPERTIES

9.1. Information on basic physical and chemical properties

Appearance : Liquid

Color : Characteristic
Smell : Characteristic
Solubility : Water soluble

Viscosity : No info
Flash point : No info
Intensity : No info

9.2. Other information

No additional information available.

10. STABILITY AND REACTIVITY

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

10.1. Reactivity

No information is available

10.2. Chemical Stability

It is stable under normal temperature conditions and under recommended usage conditions. Stable under stipulated storage conditions.

10.3. Possibility of hazardous reactions

Not known any

10.4. Conditions to avoid

High heating

10.5. Incompatible materials

Not known any

10.6. Hazardous decomposition products

Hazardous composition products may arise during the fire.

11.TOXICOLOGICAL INFORMATION

11.1. Information on toxicological effects

Acute toxic

Didecyldimethylammonium chloride (CAS No: 7173-51-5)

LD50 Oral / Rat 238 mg/kg

Irritant

Not irritant

Abrasive

The classification criterion is not met based on the available data

Sensitizer

The classification criterion is not met based on the available data...

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

Repeated dose toxicity

The classification criterion is not met based on the available data...

Carcinogenicity

The classification criterion is not met based on the available data..

Reproduction toxicity

The classification criterion is not met based on the available data...

Specific Target Organ Toxicity-single exposure

The classification criterion is not met based on the available data...

Specific Target Organ Toxicity-repeated exposure

The classification criterion is not met based on the available data...

12.ECOLOGICAL INFORMATION

12.1. Toxicity

The classification criterion is not met based on the available data...

12.2. Persistence and degradability

Easy biodegradability by itself.

12.3. Bioaccumulative potential

N/A

12.4. Mobility in soil

No information.

12.5. Results of PBT and vPvB assessment

Because chemical safety assessment is not required / not performed, PBT / vPvB assessment was not performed

12.6. Other adverse effects

No additional information available.

13.DISPOSAL CONSIDERATIONS

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

13.1. Waste Treatment Methods

Recycling is possible after completely emptying and washing the used packages with water In this way, they might be collected by waste utilization plant of any municipality. It can be sold to the commercial waste companies. You can also return it to the manufacturer. Observe the relevant rules of the State and the regional authority.

It must be destroyed in accordance with official regulations.

It must be destroyed in accordance with official regulations

.

14.TRANSPORT INFORMATION

14.1. General

The product is not within the scope of international regulations on the transport of dangerous/hazardous goods (IMDG, IATA, ADR/RID).

14.2. UN number

N/A

14.3. UN proper shipping name

N/A

14.4. Transport hazard class(es)

N/A

14.5. Packing group

N/A

14.6. Environmental hazards

N/A

14.7. Transport in bulk according to Annex II of Marpol and the IBS Code

N/A

15. REGULATORY INFORMATION

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.

Initial Preparation Date :04.05.2020 Drawn up in: Form No : GBF0405202004 Revision No: 00

ANTI-BACTERIAL WET WIPES

15.1. Safety, health and environmental regulations/legislation specific for the substances or mixture

Regulation on the Classification, Labeling and Packing of Substances and Mixtures, dated 11 December 2013, numbered 28848.

Regulation on Classification, Packing and Labeling of Hazardous Materials and Preparations, dated 26 December 2008, numbered 27092 by Ministry of Environment and Forestry, Republic of Turkey

- Council Directive 67/548/EEC, (DSD),
- Regulation (EC) No 1272/2008 (CLP),
- Commission Directive 2006/15/EC,
- Commission Directive 2000/39/EC
- Council Directive 91/689/EEC,
- ADR European Agreement Concerning the International Carriage of Dangerous Goods by Road

16.OTHER INFORMATION

16.1. Literature and Information sources

This Safety Datasheet has been drawn up pursuant to the information from the product owner company. The Safety Datasheet Preparer can not be held responsible for wrong preparation of the Safety Datasheet, because of incomplete or wrong information or documents provided. Therefore, the Safety Datasheet Preparer cannot be held responsible for wrong preparation of the safety datasheet and for any material damages and spiritual problems to be encountered by product owner company.

Classification terms/conditions according to the regulated dated 11 December 2013 and numbered 28848.

Gore classification requirements in regulation 28848 of 11 December 2013

The product is not within the scope of international regulations on the transport of dangerous/hazardous goods.

This present Safety Datasheet has been prepared in accordance with the regulation on Safety Datasheets related to Hazardous materials and Ingredients dated 13.12.2014 and numbered 29204.
